

Volunteers of America

“Our deepest gratitude goes out to Chris Ward, partner at Deming, Malone, Livesay & Ostroff and his colleagues for collecting cash, clothing and many wonderful gifts for the children being served in our programs and their parents. Employees of DMLO went above and beyond by donating cash and providing casual Fridays for a contribution to Volunteers of America. Their efforts resulted in more than \$2500 in cash and gifts for our Hope for the Holidays Campaign. DMLO has made this holiday season bright and cheerful for homeless children and their parents. On behalf of the 57 children living in our Family Emergency Shelter today, we thank you DMLO for your generosity and partnership!”
