DMLO's Jeff Calderon Talks Taxes on Radio

LOUISVILLE, KY – On Saturday, June 20, Jeff Calderon explained a little about tax planning and working with an accounting professional in an interview on the radio program “Your Home and Life” that airs on WGTK (970 AM) every Saturday from 11:00 to noon. Jeff’s interview covered an array of information in a short time, including a little of his own story about moving to Kentucky from New York City. The interview generated questions that could not be covered in just fifteen minutes so Jeff expects there will be more radio discussions in the future. Jeff is a Senior Tax Manager with DMLO and is licensed in both Kentucky and New York State.

DMLO is the largest Louisville certified public accounting firm according to the most recent Top 25 List produced by *Business First*. The firm has served clients for more than 30 years, and now provides audit, accounting, tax, estate, business advisory, valuation and litigation support services to privately-owned businesses, estates, not-for-profit organizations and individuals.
